Youth Rez supports young people with essential health costs to get medical care.

There is a limit to how much a young person can claim in a year.

Health assistance includes

- Gap fee's for assessments or medical appointments
- Costs for prescriptions

Youth Rez does not cover costs/fees that will incur ongoing fees for the young person.

Note - other brokerage packages may cover other needs of the young person.

You may also want to check out the other services Youth Rez provides such as case management, mentoring, skills courses etc.
